February 6, 2017

We enter the 3rd grading period with anticipation of continued success. The Greenwood staff continues to dedicate themselves to sustain success for all students. Our students have always come prepared to work hard as they get ready for the next grade level.

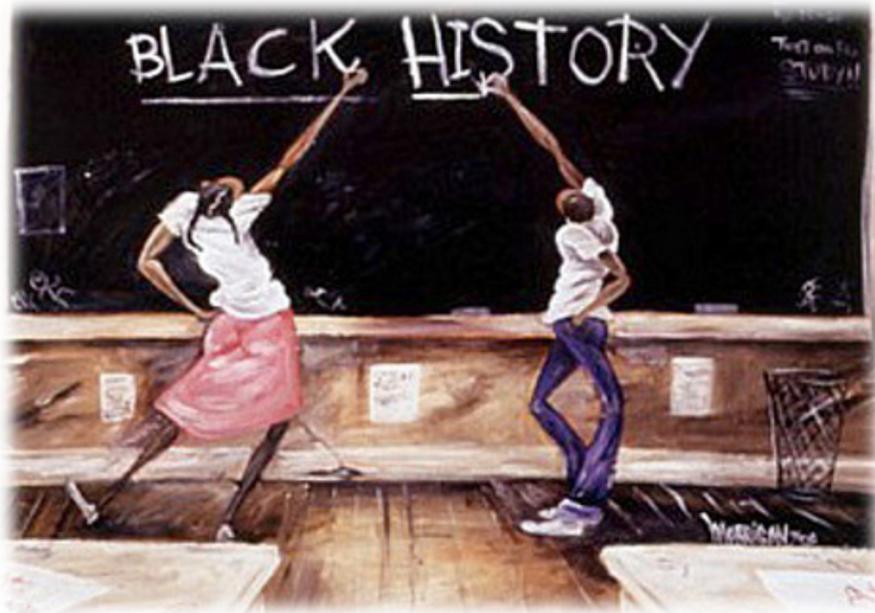

One of the most important assessment periods is fast approaching for our 3rd graders. The PARCC testing will start March 7, 2017. The teachers have organized specific instructions to help prepare them for the exam. I'm very confident that our students will do well.

There are two areas that I need parental support. The first is making sure your son/daughter arrives to school on time. When a child is continually late to school they are missing valuable instruction. Please remember, we ask that students arrive to school by 8:30 in the playground area. The second area is your continued support to have discussions with your children about being respectful citizens. We take great pride in providing a comfortable atmosphere, free of bullying, and aggressive behavior. Greenwood is a school where students feel safe, and secure.

~Mr. Kolloway

The month of February will be full of excitement as we prepare to celebrate Black History Month. Our theme for this year is "Black History; Rooted in Faith and Anchored in Hope". The Greenwood committee is working hard preparing some wonderful activities. Our parent performance is scheduled for Thursday, March 2nd at 9:30.

Congratulations to all the students who attended the Principal's Luncheon for earning the Excellence Award (straight A's). I'm looking forward to having more students attend next quarter. I would like to congratulate Jasmine Wyatt and Jordan Bufford who won the bikes during our BIKE raffle sponsored by the South Holland Police Department. Some special dates to remember when students have no school are; February 20th, March 3rd, March 6th, and March 31st. In addition, February 8th and March 8th, are scheduled for early dismissal days (12:00).

Greenwood Grizzlies Celebrate Black History!
