Dear Parents/Guardians,

As we begin this school year, we have to recommit ourselves to the understanding that student learning is everyone's top priority. The district's focus is ensuring that: every child, every day feels **connected**; every child, every day is being **challenged** by new learning experiences; and every child, every day knows they have a **hero** they can count on.

Due to the construction delays, the first day of virtual instruction for students has been changed to **Wednesday, September 2, 2020**. Students will need to abide by a schedule and be fully prepared to engage and participate in their remote classroom settings.

Before the first day of school, the district has a few small requests from our families. We are asking for the following to be accomplished prior to Wednesday, September 2, 2020:

1. Complete registration online for your children. Registration is completely online through the **PowerSchool** Parent Portal. If you have questions or need technical assistance, please contact your child's/children's school, Monday through Friday from 8:00 a.m. to 4 p.m. You may also schedule an in-person appointment, if you need assistance.
2. Returning Student Registration for the 2021 school year is located inside your Parent **PowerSchool Account**. If you do not have your **PowerSchool Account** set up, contact registration@sd150.org. The Power School Parent Portal allows you to keep track of student attendance and your child's academic progress. You will also have the ability to make changes to your student's demographic information throughout the school year (ex: parent email address or home phone number).
3. Student fees will be paid through your **MySchoolBucks** account in PowerSchool. Once logged into your Parent PowerSchool account click the **MySchoolBucks** link in the left-hand menu to set up your account and pay outstanding fees.
4. You can pay for your student's iPad insurance for the 2020-21 school year using the link below. **iPad insurance is \$30 and required for all students in PK-8th grade.**
