Planning For Quarter 2 Re-Evaluation of Instruction Parents and Guardians

September 30, 2020

We are now approaching the 2nd Quarter of the 2020-2021 school year. South Holland School District 150 is creating plans for re-opening schools by exploring various options based on available guidance from public health experts and other knowledgeable authorities. Since we do not know what the state of the coronavirus will be in the fall and winter, we must be ready for a number of options for teaching and learning.

This parent survey is to elicit feedback from you because your voice is important to us.

As you complete the survey, take into consideration that health and safety measures, such as wearing masks and social distancing will still be in place.

The survey takes about 5-7 minutes to complete.

Below you will find the link to the Quarter 2 Parent Survey.

We thank you for your time and support.
