Ayanna Perkins
Assistant Principal

Dear Parents/Guardians:

Students entering Pre-K, Kindergarten, 6th grade and students newly transferred into Illinois are required by Illinois Regulation Code 27-8.1 to have updated immunization shots and a current physical before entering school. **Illinois Public Act 95-671** requires all students entering **Kindergarten** and any student enrolling for the **first time** to have a **state eye examination by a licensed eye doctor or an optometrist prior to October 15th of the current school year**, or and approved appointment within 60 days of the deadline.

Newly mandated by the State of Illinois, all students entering the 6th grade must receive **1 dose of Meningococcal vaccine** administered on or after the 11th birthday. Also, students entering Kindergarten, 1st grade or 6th, 7th, and 8th grades must **show proof of having 2 doses of the Varicella vaccine. 1 dose of Varicella vaccine is required for Preschool and students in 5th grade.** Lastly, students entering 6th, 7th and 8th grades will be required to **show proof of receipt of one dose of Tdap vaccine (combined tetanus, diphtheria, and pertussis).**

As for all Illinois mandated health requirements, enclosed are the necessary papers that must be fully completed before your child enters the 2019-2020 school year. This packet includes the following:

- Certificate of Child Health Examination Form
- Health Rules and Regulations Form; listing required immunizations
- State of Illinois Eye Examination Report Form (Completed by October 15, 2019 of current School Year)
- The Lead Risk Assessment Questionnaire (Pre-K, Kindergarten or 1st grades)
- Dental Examination Form (Completed by May 1, 2020 for Kindergarten, 2nd and 6th grades)
- Permission to give Prescription and Non-Prescription Medication Form
- Asthma Action Form (Completed for students with Asthma Diagnosis & use inhaler at school)
- Allergy Action Plan Form & Questionnaire (Completed yearly for all students with known Allergy).
- Medication Policy
- Immunizations clinics

Bring a copy of your child's current immunizations records when visiting clinics. After obtaining your child's updated health records, you may turn his/hers records in during school registration in August. I highly recommend that you have your child immunized now to avoid the last-minute rush and make a copy of your child's physical and immunizations forms for your records prior to turning them in to the school.

As dictated by law, your child will not be allowed to participate in gym and may be excluded from school, if the required documents are not provided.

If you have any questions, please call the nurse's office at 339-8500 or 339-4433. Thank you in advance.

Respectfully,

Ms. Nekida Harden, R.N.
District School Nurse
