Week at a Glance
January 23rd – January 27th
Week 21
No School on Friday!

This week in Reading:

This week, we will begin reading "James Forten." We will focus on sequencing and summarizing.

Reading Vocabulary to be reinforced at home: *persuade, apprentice, contributions, influential, aspects, authorities, bondage, provisions, dexterity, tentative*

This week in Grammar and Writing:

This week we will discuss placing commas and semicolons correctly. We will begin writing to inform using an article.

This week in Spelling:

In our Lesson 14 Spelling unit, we will correctly spell words with a VV pattern. We will work on our lesson practice pages and complete classroom activities.

This week in Math:

We will solve division word problems involving multi-digit division with group size unknown and the number of groups unknown. Then, we will review Module 2 using group activities and partner work. Lastly, students will take an "End-of-Module" assessment to showcase their knowledge. *PLEASE continue to review multiplication facts at home, and remember to access Zearn.com and Ten Marks for extra support!*

Math Vocabulary to be reinforced at home: *dividend, divisor, quotient, estimate, remainder, decimal, decimal point*

End-of-Module Assessment: Thursday, January 26th

This week in Social Studies:

We will describe how the Constitution set up the government of the United States. We will also explain the importance of the Great Compromise.

Social Studies Vocabulary to be reinforced at home: *arsenal, federal system, republic, compromise, bill*

This week in Science:

We will describe characteristics used to classify rocks. We will also explain the rock cycle and how it can be used to determine the relative ages of rocks. Lastly, we will review chapter 9 and complete an assessment to demonstrate knowledge learned.

Science Vocabulary to be reinforced at home: *crust, mantle, core, plate, mechanical weathering, chemical weathering, igneous, sedimentary, metamorphic*

Chapter 9 Test: Thursday, January 26th
